

Open International Competition 'Scientist of the Year - 2014'

26 December 2014

To: Prof. Dr. Yunus SÖYLET
Rector
İstanbul University

Dear Prof. Dr. Yunus SÖYLET

We are happy to invite you to take part in the **Open International Competition 'Scientist of the Year – 2014'**. The Project aims to support research initiatives and programmes of scientists through the development of their scientific potential, and the promotion of scientific and technical creativity, enhancing professional skills and promoting career growth through the international recognition of their merits. The Competition is held by the **Oxford Academic Union** with the support of the Europe Business Assembly and the International 'Socratic Almanac' (Oxford, UK).

Participation in the Competition will support you in:

- Facilitation of publication your monographs, etc. in Oxford, through the assignment of ISSN and the transfer of these books to library collections around the world, including the official library of Oxford University, the 'Bodleian Library';
- Publishing your scientific articles, information, and biographical materials in the International 'Socrates Almanac' (ISSN 2053-4736);
- Building a global awareness of scientific achievements of participants scientists through the placing publication of scientific research in the 'Contestants' section on the official EBA website www.summitofleaders.co.uk, and in the e-Magazine 'The Leaders Time' (sent to EBA members and subscribers around the world);
- Promotion your participation of scientists in international conferences and forums on science and education, hosted by the auspices of EBA, The Oxford Academic Union and others, with the possibility of presenting your projects there;
- Creation of scientific and innovative projects, other forms of scientific research activities, and presenting them at the 'Prime Business Destinations: Science and Education' events in various regions of the world;
- Organizing a series of your scientific lectures in universities of different countries within the framework of EBA 'Speaker's Bureau';
- Lobbying for introduction you as a member of the Oxford Academic Union.
